

June 25, 2024 MEETING MINUTES

MILWOOD NEIGHBORHOOD ASSOCIATION

PREVIOUS MEETING:

Called to order at 7:01

Tabling approval of notes from 4/23

Voted to approve notes from 5/28

Agreed to table by-laws until mission is established

NEW BUSINESS:

Kate distributed notes from closed door meeting and introduced the four items that the members present at that meeting suggested for re-alignment on a path forward

Those items are:

- REORGANIZATION
- CHANGE OF LOCATION
- MISSION STATEMENT / VISION, VALUES, AND WORKING AGREEMENT
- PROJECT PLAN DEVELOPMENT

Conversation around reorganization led to a good deal of conflict over propriety of the meeting, communications, etc..

Dave feels that we need by laws to move forward. Dave also requested more time to review the notes from the closed door meeting.

Conversation redirected to relocation as a topic that we stand a decent chance of solving.

Milwood Elementary is available to us, and will waive their fee, for us starting in August. General agreement that this is a good solution. This leaves July. Milwood El pavilion chosen.

Conversation returned to conflicts arisen out of the last meeting - tensions ran high.

Kate - motion to adjourn.
